## New for 2012- The FVPFA Member Points Program!

Beginning in 2012, the FVPFA will be introducing a points program for its members. We are hoping this program will provide our members with another incentive to exhibit and improve their birds in our club shows. Tentatively for 2012, we have 4 club shows lined up. These include our Lawn Show, Maple Ridge-Pitt Meadows CountryFest, Abbotsford Agrifair and our Winter Show (List subject to change).

The program will award points as follows:

- 2 points for all APA class champions in a class with a minimum of 2 exhibitors.
- 1 point for all APA reserve class champions in a class with a minimum of 2 exhibitors.
- Points are only awarded for club shows. A show is considered a club show if entry fees are paid directly to the club.
- Awards will be given to the junior and adult with the most points at the end of the year. They will be announced at the AGM of the following year. Awards may vary based on sponsorship or donation levels during the previous year.
- Points will accumulate during a membership unless membership is in arrears beyond the time prescribed in the FVPFA Constitution of 3 months. After this time, all accumulated points will be lost. Members can accumulate points as soon as they join the association.
- Points standings will be published in the Winter Newsletter each year for the previous year. This will include the points accumulated to date, and the points accumulated in the previous year.
- Additional 2 points awarded for Show Champion.
- Additional 1 point awarded for Reserve Show Champion.
- Additional 2 points awarded if a junior is enrolled in the FVPFA Junior Program and their bird wins Champion Junior Bird in show. These are in addition to the points if the bird wins Show Champion or Reserve Show Champion.
- Additional 1 point awarded if a junior is enrolled in the FVPFA Junior Program and their bird wins Reserve Champion Junior Bird in show. These are in addition to the points if the bird wins Show Champion or Reserve Show Champion.
